JOIN US! ...for the adventure of a lifetime...

...as we play the life-sized adventure game, ***The Quest for the Holy Grail***. Entirely created by Troop 16, this race criss-crosses Peaceful Valley Scout Ranch using maps, compasses, Scout-skills, and leadership skills. Each Patrol/Team competes to be the first to conquer over a dozen challenges and gather enough gold and items to go face-to-face with *The Guardian* to win the Troop 16 Adventure Cup. Webelos can become part of a Team and take part!
